Bobbi Shultz

Hi guys, it's me Bobbi.

I am an 11 year old dancer who lives on the Goldcoast in Queensland,Australia .

I started dancing before I was 2 and started to take it seriously about 4 years ago.

I train at Dynamite Studios Australia.

I train in all genres of dance:

Classical RAD, jazz, lyrical, musical theatre, acro, hip hop, contemporary, tap, tumbling, aerial (Lyra and silks) and vocals .

I have been lucky enough to compete in many regional competitions and a few national competitions over the past few years. Highlights being; winning the petite national champion dancer at Follow Your Dreams competition in January 2018,

And then competing in my first dancer of the year (DOTY) at show case nationals January 2019, where I made top 3 and at Hollywood Bound Nationals in Jan 2020 where I made top 5. I have several national championships in my age group for jazz, contemporary and lyrical at various Australian nationals.

Some of my most recent highlights have been:

- Starring in a music video by the Amazing Ziggy Alberts called "Heartbeat"

- Dancing in an episode of Ready Set Dance on the NIKELODEON channel

- being a part of the dynamite studios academy concept piece.

-Showcase piece performed at The Australian Dance Festival 2019 where I got to wear a wig, be thrown in the air and do some partnering work all for the first time!

I constantly try to challenge myself and improve my skills and have recently been rebuilding my Instagram account.

I hope to one day get a career in dance, at this point I don't know what that will be but as long as I can dance I will be happy!

I hope you all have a great year ahead and be sure to come and say hi in person if you see me at a comp or anywhere or maybe even leave me a comment on my insta posts

Bye,

Bobbi Shultz

Guusje Nagelkerke

I am Guusje Nagelkerke, 9 years old and I live with my family in Oudenbosch, the Netherlands. I grow up in a large family. I have 4 sisters and 3 brothers.

Together with my family we appeared in a television program about large families. After the program ended on television, we were asked if we wanted to start vlogging so that everyone could keep following us.

That's what we started doing and now we post a daily vlog on YouTube (denagelkerkjes). From an early age I already know what I want to be when I grow up, and that is model!

From the age of 3 I have walked fashion shows for local shops. I did photoshoots for web shops with clothing and in the end I did more and more fun assignments

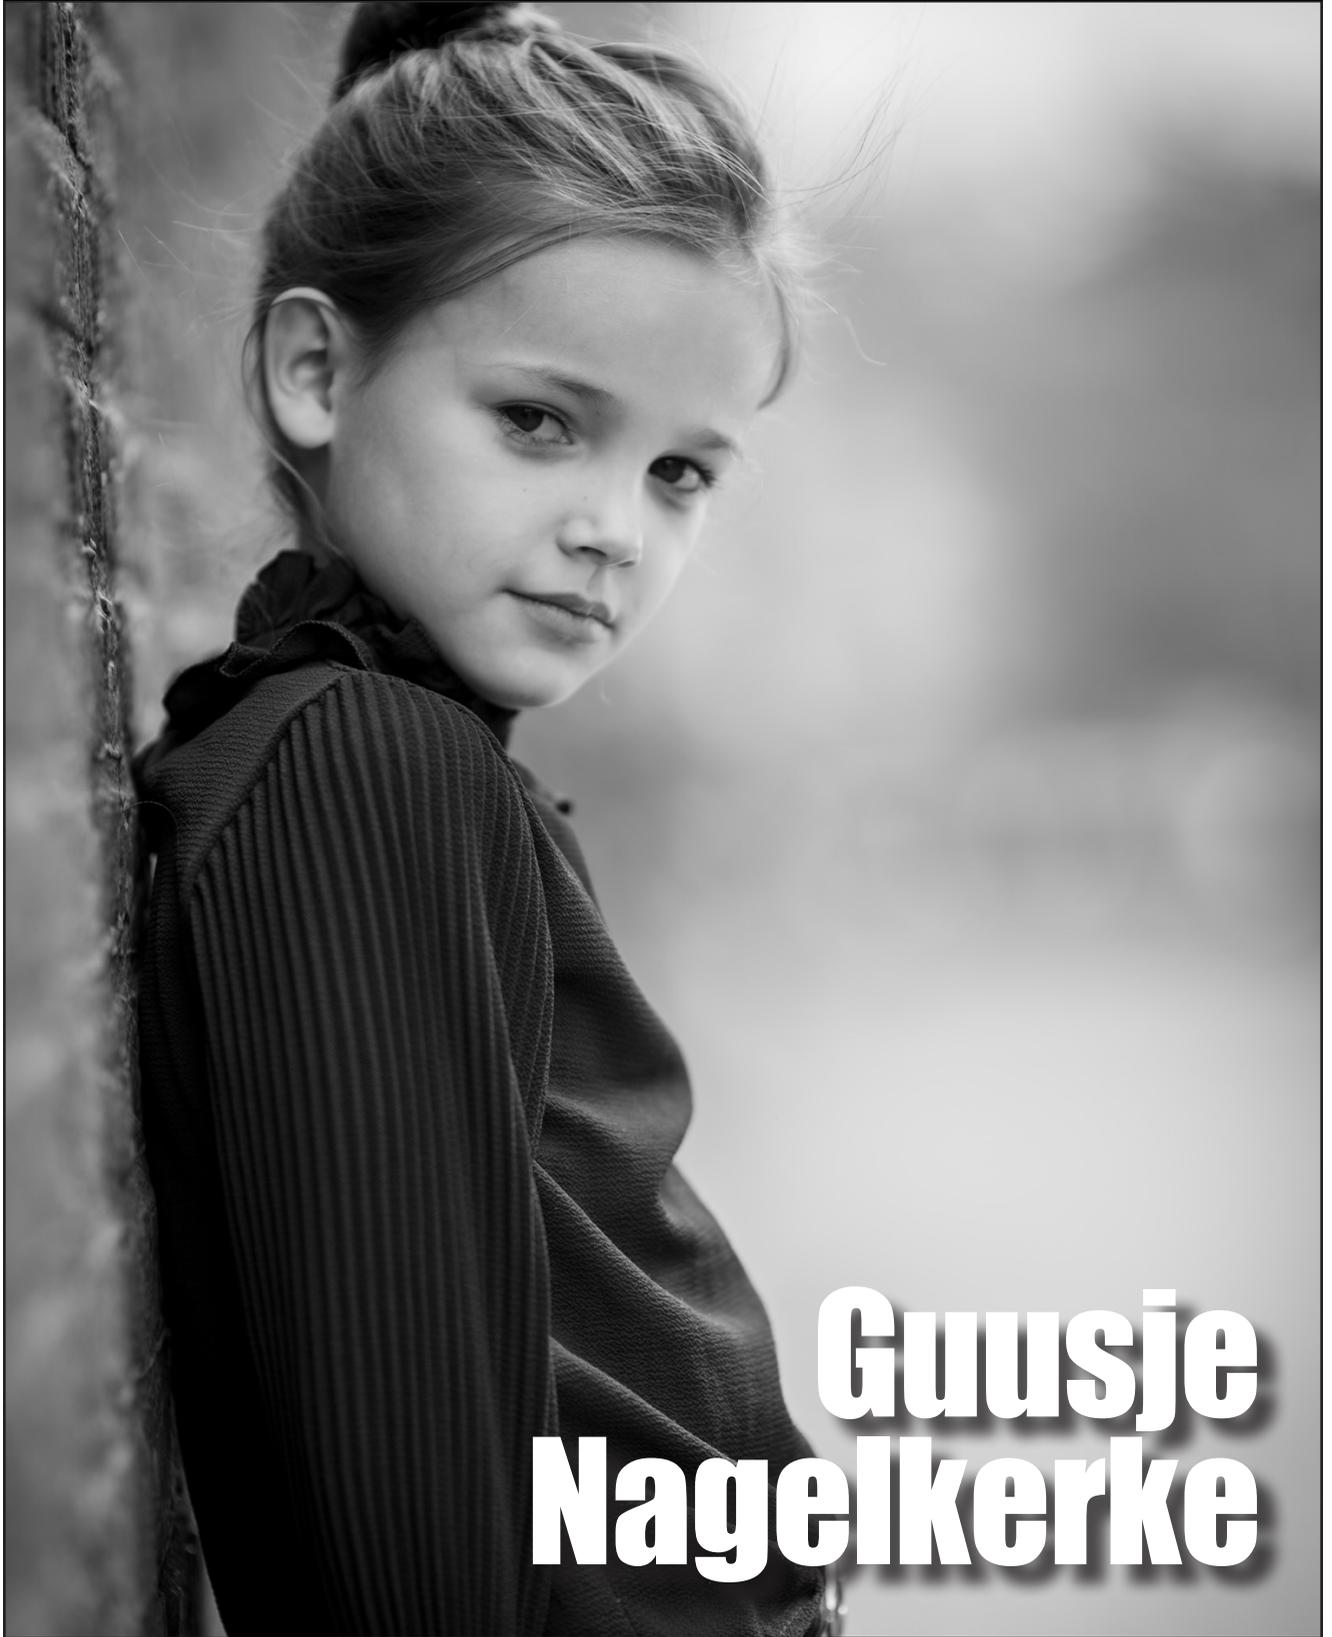

such as playing in television commercials, Photoshoots for companies, etc.

I would very much like to have assignments abroad. In my spare time I play hockey. I really enjoy doing that, being outside and exercising fanatically. School is also doing well. Fortunately I can learn easily.

But the best part remains modeling.

My disadvantage is that I am small for my age, but that also makes it easy to work with me. I can compete for someone younger but behave like an older person. I hope one day to be discovered and to travel all over the world.

Love, Guusje

Peters**

Jade Peters is a six year old pageant contestant from Massachusetts. She has just recently started her journey in the pageantry world and has already managed to place within the East Coast USA Pageant system. Jade has competed in three pageants with East Coast USA so far and is getting ready for her next state pageant leading up to nationals. It was at the New York state preliminary that Jade was crowned with her very first title as Miss New York Miss Congeniality. After the pageant she had commented how it was the best feeling in the world to hear her number be called to come to the stage. This title means a lot to her as it represents the type of person she is and the things that she stands for. Miss Congeniality is someone that puts others before themselves and someone who is always kind and welcoming to everyone that she comes in contact with. Miss Congeniality is always ready to lend a helping hand at every opportunity. Another way to see what Jade is all about is to check out her instagram [Jade.p.156](#) where you can see her platform Gomee Girls. Gomee Girls is an organization that is all about girl empowerment, girls supporting girls, and building confidence to go be you. Jade spreads this message everywhere she goes whether it be at dance, cheer, or pageants she always shows what it means to be a Gomee Girl and Miss Congeniality. Jade loves to compete at pageants because she loves to be on that stage but also because she gets the opportunity to meet new people and make lifelong friendships. Pageants are a great way for people to try something new, build their confidence up, and to make lasting friends and memories.

Lex Nicole

A photograph of a person sitting on a large, weathered log in a forest. The ground is covered with fallen autumn leaves in shades of orange, yellow, and brown. The person's legs are visible, wearing black strappy high-heeled sandals. The background shows more trees and foliage, creating a natural, outdoor setting.

I'm Lex a 25 year old zealous car enthusiast who flourished in the modeling scene. I started modeling at about age 16 and it had just started as a fun hobby. My friend had invited me to a shoot she was doing with a local photographer and asked if I'd like to tag along. It wasn't long before I fell in love with the fact I could essentially play dress up as an adult! Fast forward a few years I had started building my 04 Acura TSX which took me places I never would dream I'd end up! Over the years I've met several amazing people, learned a ton of knowledge about a variety of vehicles, and found another passion. Naturally, you want to be able to fulfill every passion in your life so I thought to myself why not combine both? I did a shoot with my own vehicle to show off my hard work and this is where it all began! After I had posted the photos I had a few people approach me about modeling their vehicles, this is when I realized I can combine both things I love! Now you can find me mostly at car shows in the New England region and of course modeling cars is my favorite because I get to appreciate everyone's hard work. My dream would be to travel the country or even the world continuing to meet people who are passionate about the same things I am. I just want to keep gaining knowledge and pushing the limits as my life transpires. As Marilyn Monroe once said "I don't mind living in a man's world as long as I can be a woman in it" and that is exactly what I am doing! Living in a scene that is primarily run by men while proving I can keep up just as good if not better, all while wearing heels!

A woman with dark, curly hair and several tattoos is lying on a dark surface with a repeating floral pattern. She is wearing a dark, lace-trimmed top. The lighting is soft, highlighting her skin and the intricate designs of her tattoos.

I'm 36 years old, a mother to 5 beautiful children. One of the things I love about being a model is the look on my Children's faces when I'm going after my dream, knowing that if I can chase my dreams, then they can do the same. When doing fashion shoots, I base my clothes by my hair color most of the time. I feel fashion can let u express on who u are. Remember dont ever let your fashion bring u down, always express yourself!
