My name is Teigan. I am 7 years old and from the UK. Life has been a bit different over the past year. I have been home schooled and have not been able to go out and play with my friends or go to gymnastics club due to Covid.

Things are getting better I cannot believe am I saying I like going back to school but I do.

Even doing things like going for a trip out to the woods feels special these days. It is much better than being

stuck in doors and being told we are not allowed to go out. The birds tweeting, a little sunshine on my face and smelling the bluebells. It is great fun just spinning around in my dress and getting dizzy.

My mum tells me about important things in history and that I should not forget about what happened this past year. She said that we are part of a historical event and that even though things have been tough, we have lived through a special time in our lives. I guess I will understand this more when I am older.

Valentina

Valentina

My name is Valentina and I'm 12 years old, I was born in Barcelona Spain and from being very young I travelled to various countries with my parents touring in a variety of Circus and theatre shows. I spent a lot of time backstage with the cast and got to see a lot of performances.

My mum is from England and my dad from Argentina so I am bilingual and speak both English and Spanish. At the age of 6 years old I moved back to the United Kingdom with my mum and I now live in Sheffield, being brought up in a performing lifestyle I have always loved to dance so I joined (EWDA) Erika Wilkinson Dance Academy and my dance journey began from here, it all started out as a hobby but Erika realised I had a natural talent and asked me to join the competition squad which I absolutely love. I love to dance it's my passion and I am very dedicated and work really hard, I have been competing for the past 3 years in a variety of styles of dance but my absolute favourite is lyrical, the slow music is beautiful and I dance with a feeling from my heart.

I love everything about dance life from the costumes to all the bling and the great times I have with my dance family, we have some fantastic experiences and make amazing memories, plus I have the best teacher I could ask for.

In September 2019 I won the Fantasy Island dance championships and became a premier-champ in slow dance which was a great achievement at 11 years of age, then in March 2020 together with my slow pairs partner Amelia Davison we won the East coast dance championships, it was such a great moment we were buzzing, unfortunately this was my last live competition as lockdown began.

As a dancer I have missed so much through this lockdown but I'm so excited to get back on the floor and do what I love best.

I'm an ambassador for Chic by Shane Poole, modelling and promoting his clothing range, he is also a competition photographer, I've been to his studio on various occasions and he's done the most fantastic photos all of which have been used for this magazine article.

My hobbies outside dance are learning aerial hoop again with my slow pairs partner Amelia, I'm really into fashion and makeup and am always practising new looks, I enjoy getting dressed up and hanging out with my friends.

I have a love for animals and own a Black Labrador called Luna and a rescue cockatiel bird called Chukaruki, I have been vegetarian for the past 6 years and I'm interested in everything regarding saving the planet.

My dreams in life would definitely be to win the European and the World dance championships in slow dance and go on to performing as well as having a modelling career and even to become a travel presenter, I'm excited to see what the future holds.
