"By doing what you love, you inspire and awaken the hearts of others"
~ Satsuki Shibuya

I have been dancing since I was 7 and modeling and pageants since I was 12. The 2 seamlessly fit together in my life. They both have been a great platform for self-discovery, confidence-building, and growth. I am off to NYFW in Sept to model with hiTechMODA and designer Marc Defang!!!

Learning social media marketing has also been a fun skill to learn as an ambassador for several companies. It is such a big part of the fashion and the dance world. I really enjoy having fun being creative while I make review and promotion videos for AzFoothills Magazine "Best of our Valley" winners in Arizona.

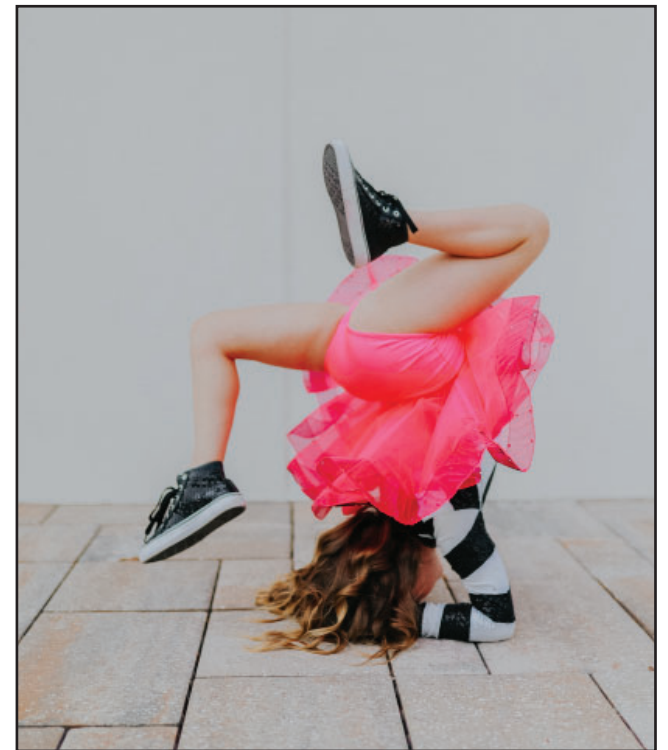

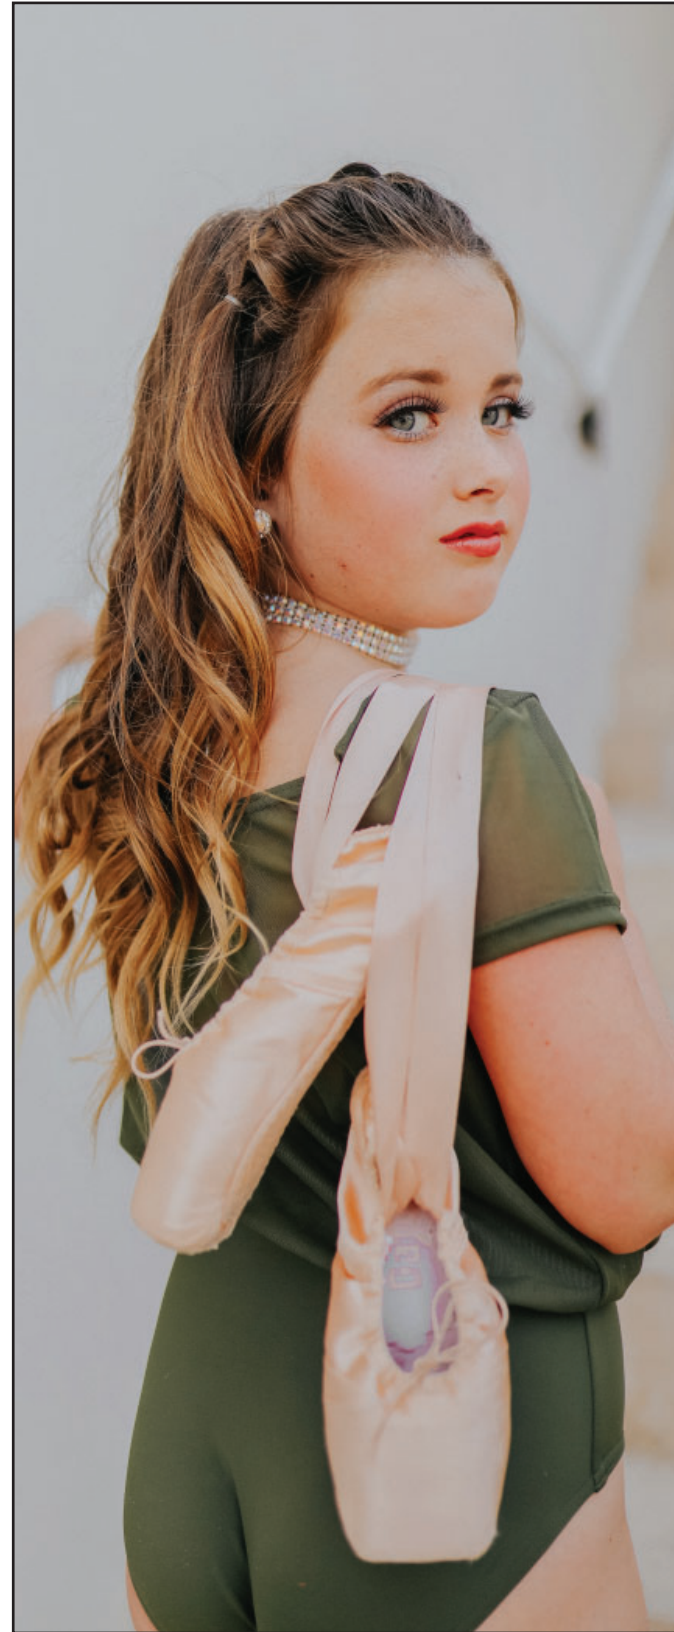

My goal is to attend Arizona State University and eventually get into their highly acclaimed Sandra Day O'Connor Law School. In the meantime, I enjoy working on my personal projects "Lexi4literacy" and "MyHeart4Art". I also love dancing for my high school's Pom Team, Performance Dance Team, and volunteering with the National Honor Society. Last but not least, my other goal is to be a pro team dancer for one of Arizona's professional sports teams.

In 5 weeks I am off to Orlando to compete with girls from all over the world for Royal International Miss. I currently hold the Royal International Miss Arizona Jr. Teen title. Next stop the International Title!!!! Please send me lots of positive vibes and prayers. Busy but balanced

I'm looking forward to be a successful fitness model so that I can motivate young girls to work on their fitness

Amelia

Hello from Belarus city of Minsk, my name is Amelia and I am 3 years 11 months, height 110 cm. In my almost 4 years I do a lot of things I am fond of doing: I am actively studying English, I work at the IDH dance center, and I am also interested in modeling at the KORONA MODEL'S MANAGEMENT modeling agency. I go to kindergarten and attend physical training clubs, creative workshops and music lessons.

My main goals in life are to be healthy and to surround myself with loyal friends. While I am small, my task is to

be obedient and always learn something new. I would like to connect my life with modeling, in this regard, I still dream of becoming a professorial model. She is still quite a baby, and has already taken the 2nd place among children of her age in the contest "The most beautiful girl in Belarus".

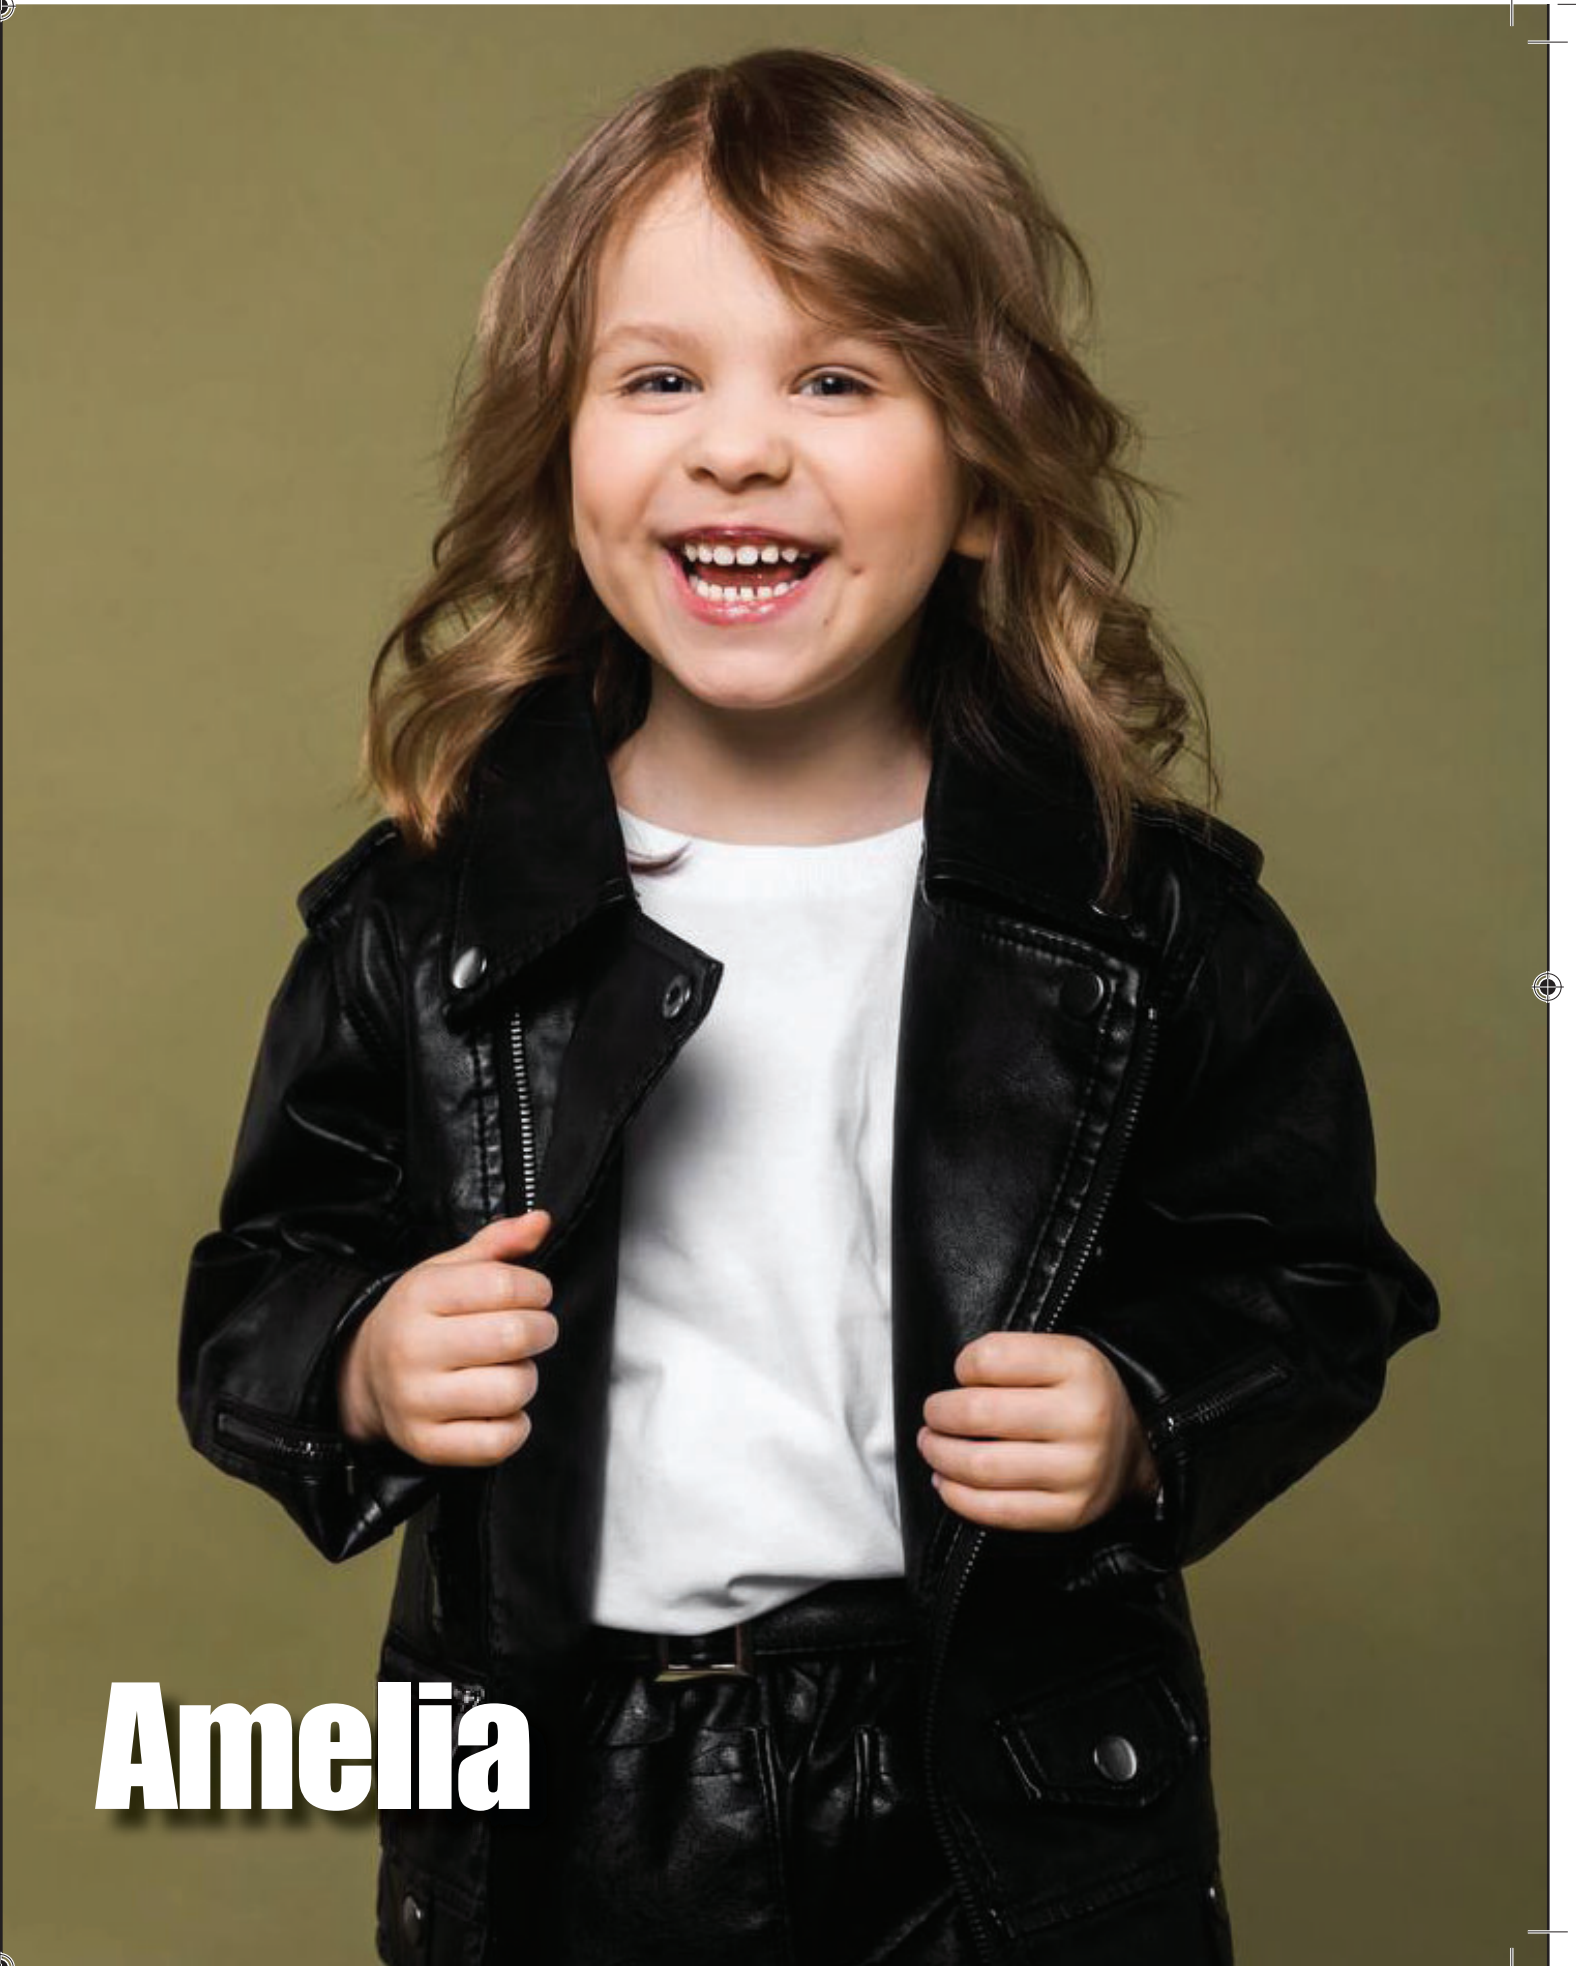

I really hope that the plan will come true, and there will be much more victories.

Madelynn is almost 7 years old and is headed into her 3rd year on a competition dance team. Madelynn was not able to compete last year due to the pandemic but was able to compete this dance season. Her team successfully achieved overalls at all 3 competitions they attended in the Mini Small Group Category with a Lyrical Dance. Madelynn loves ballet, jazz, lyrical, and tap. She did take an Acro class where she continues to build on flexibility

and strength. Her goal was to achieve her middle splits and she was able to do so. She is in the studio a little over 3 hours a week working on her dancing. Within the last 2 seasons, her confidence in herself has grown and she has shown maturity in her skills. She has potential to become a beautiful dancer based on coaches comments. She looks forward to upcoming auditions for her 3rd year and dancing with her younger sister.
