Empecé desde los 4 añitos a incursionar en el mundo artístico. Mis primeros pasos fueron en Pre-Ballet y baile flamenco en una Sociedad Española. Con 6 añitos comencé en Gimnasia Rítmica, participando en competencias y ganando diferentes premios. Al mismo tiempo comencé en los Talleres Vocacionales de Ballet de la Escuela Nacional de Ballet en La Habana. A los 10 años realicé las pruebas de captación, logrando entrar en la ENB " Fernando Alonso "

Adoro el ballet, me encanta mi escuela, los profesores son excelentes, lástima que durante este año hemos estado cerrados debido a la Pandemia y he tenido que practicar desde casa.

Tengo una familia muy linda que me ama y me apoya todo el tiempo. Mi mamá y mi papá llevan juntos 25 años!! Y tengo un hermano mayor que tiene 21 años. Además mis abuelas, tías y primos me quieren muchísimo y tengo una mascota chihuahua que se llama Frida que es adorable.

Me encanta también la playa. Soy de una isla rodeada de mar que me transmite energía y a la vez me relaja.. no puedo estar alejada del mar!! Lo necesito igual que el baile!!

En mi vida como bailarina me exijo cada día porque para llegar a ser una buena profesional se requiere de mucha disciplina y constancia. Practico al menos 4h diarias, sin embargo lo disfruto mucho, para mí es un placer... Me encanta transmitir mis sentimientos a través del Ballet y de la Danza sin necesidad de palabras. Me emociona la música, me fascina improvisar al ritmo de ella, es como transportarme a otro mundo.

Hasta ahora me he sentido muy feliz con los logros que he alcanzado. He actuado en diferentes teatros de La Habana en distintos espectáculos de la escuela. También he participado en diferentes concursos nacionales e internacionales con resultados increíbles. En el 2019 con 9 añitos fue mi primer concurso (CIAD 2019) en Cancún donde gané 2 medallas de oro y el premio de Revelación infantil. En el 2020 debido a la Covid no pude participar en una beca en Argentina, que me fue otorgada. En éste año 2021 participé nuevamente en CIAD 2021 Cancún y gané 3 medallas de oro y 1 de plata y el premio de mejor bailarina online; obtuve una mención en el Concurso Coreográfico " Dance Coreo International " de Litz Alfonso, Cuba y gané además primer lugar en Ballet en el Encuentro Internacional Workshop Dance by Mike Reyes en Cancún igualmente.

Mi consejo para las pequeñas bailarinas que empiezan ?? Que sigan luchando por alcanzar sus sueños, que con todo esfuerzo, siempre se verán los resultados.

El proceso para ser un buen bailarín es lento y difícil pero uno debe confiar en sí mismo, mostrar tu estilo, cada quien es único y diferente. Debes arriesgarte y que surja la magia!!

Bella Guidotti

My name is Bella Guidotti and I am 13 years old. I started singing and performing when I was really young and loved being on stage. It is my dream to write, produce and perform my own music that people (like me) who don't always feel accepted can relate to. I think it's really important to use music in a positive way to inspire those who need it. My passion for singing has given me the platform to advocate for all those who need a voice. I have always chosen covers and written songs that I feel express a sense of empowerment.

I am really excited to announce that I am releasing a cover of "Good 4 U" by Olivia Rodrigo and another GirlBOSS original, "March".

**Uzuri
White**

My name is Uzuri White from a small town of Salisbury North Carolina, since a child it has always been a dream to model. I've challenged with being a plus size girl my whole life, I got picked on in school and had low self esteem. I soon started loving myself and the skin that I was in and started a confidence in myself. I gained so much confidence that I became more interested in becoming a plus size model. I started researching on what I need to do to become a model and how to create

a name for myself, I started networking and building a portfolio. I was so confident in myself that I started promoting my work and got more and more confident in myself. I love modeling it's a passion and a dream for me and soon (hopefully) a career.

Linda

Just like everyone else I dream of enjoying the best life possible. I have goals and ambitions to continue to grow as a model, a photographer and as a person. I have been published many times in fashion, cosplay and swimwear. I have been an extra in a Hallmark movie, been in a commercial for a product and represented various designers and fashion lines in print and runway. Participated in Tampa Bay Fashion Week activities as well as walked in the fashion show. I was selected to wear an exclusive design from a Cuban designer

Jacqueline Fumero in a runway show which followed by a feature in Portfolio Fashion Magazine. Some of my greatest challenges include not having enough time to accomplish all the creative ideas and pursuits I have. But always I recognize that I am blessed with a beautiful family, great health and a wonderful, supportive husband for which I am truly grateful.
