Yenthe

Hi, My name is Yenthe and this summer I became 9 years. I am the biggest animal lover in the world. My 2 chihuahuas are My biggest friends. Actually I love social contacts with everybody. Taking care so that everybody is OK is very important for me. Recently, I discovered that I like it a

lot when My mom takes pictures, so i love the camera in any way. I speak already perfect Dutch and are very smart so I get 2 hours other lessons.

In My free-time, i love to play hockey 🏒. We won our first match 🏆

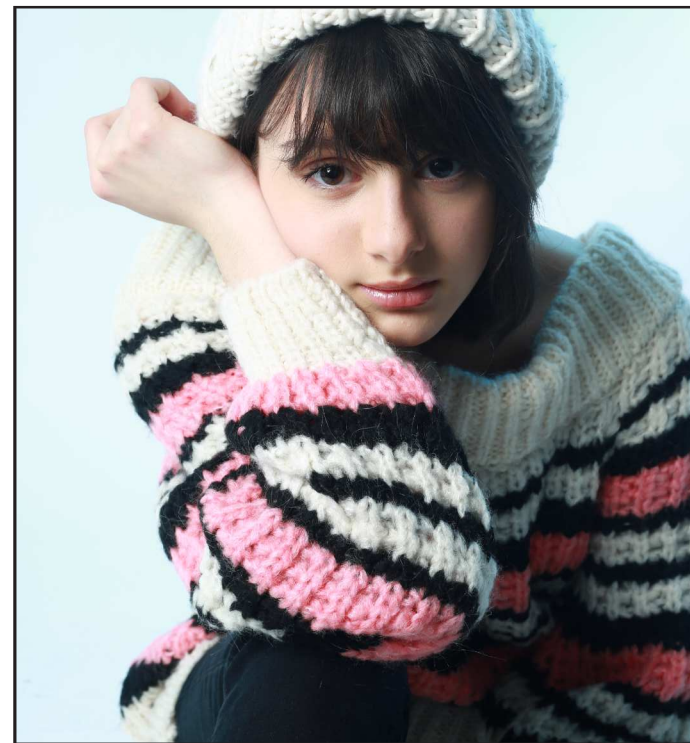

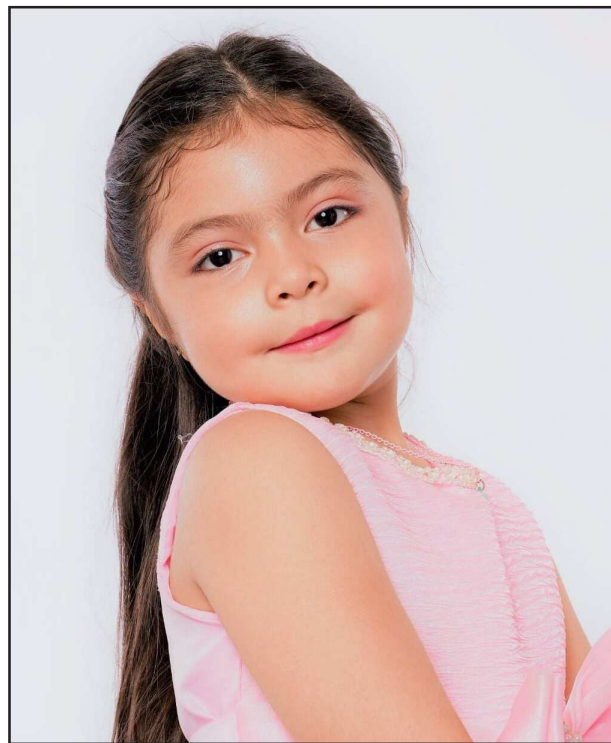

But you can describe me best as a big

dreamer. Love to be by myself, or around friends and animals. Fantasising about peace all over the world.

So, if you ever want to meet me, just let me know! Lots of greets

I devote a reasonable amount of time to my education so that I can achieve my dream job however I'll keep it low-key for now yet I have so many goals to achieve which involves becoming a part of fashion industry in the future as a fashion designer. As I am 28 years old I have not received a lot of opportunities to achieve much but I am

working towards whatever comes my way. Now arises the most frequent and important question which is "challenges" as a teen living in a beautiful small island nation "Fiji" with so many beautiful people yet there are challenges which holds you back from doing whatever you are dreaming about.

Adrina Moradi

Adrina is a kind little cute kid who melts any heart with her sweet talks. Her self confident and being social help her enjoy acting in front of camera.

She is a strong courage girl whose artistic talent makes her shine in what ever she does. She love singing and dancing as well as painting and drawing; also, a big fan of movie and family movie nights.

I am 10 years old. I have been training in gymnastics since I was three. I started competing at the age of 6. I truly love gymnastics and everything about it. I enjoy conditioning at the gym and at home. I appreciate the structure of the sport. When I'm not training I love to dress up and get my picture taken. I would love to be a model and gymnast as a career full-time as an adult. I'm very lucky I have an amazing family that has always told me to work and fight for my dreams.

I started skateboarding 3 months ago and I'm hooked! I saw my first video of Sky Brown a year ago and want to be just like her when I grow up. My goal is to be a professional skateboarder and compete in the Olympics and X Games. I love skateboarding because it is hard and I like doing hard things. My goal is to be able to do a kick flip and a front side 540 eventually!

My dream is to become a forensic psychiatrist and a part time model in London. However, a challenge I face is getting a modelling job as can be very hard as it is very selective. I achieved 1st place twice at a MISGA gymnastics competition and became highest scorer of the day in 2018. Photographers New Idol Models
