My dreams become an inspiration for all girls around the world, we are beautiful with our own version. In the near goal I hope I can win another model hunt. In future I want to become a great model like Kendall Jenner, Gigi Hadid and Patricia Gouw.

My achievement so far I become first winner for CLOEV kids model hunt and winner for Mourance model hunt.

Challenge for me is myself, how to do a great pose, how to focus on my photoshoots and how to love my journey on modeling.
