Being the daughter of an ex-professional footballer, I wanted to follow my dreams just as my dad did.

Starting dance at the age of 2 and a half, I have studied ballet, tap, modern and lyrical dance ISTD, for the first 8yrs, then included contemporary, commercial, jazz and musical theatre, for the past 2yrs. For 4 yrs I attended the Pauline Quirke Academy, where I learnt all about behind the camera, as well as in front of it and landed the exciting opportunity to work with Harry Styles on his Kiwi music video, where you'll see me throughout the duration and next to him in the end shot. I loved this as it was everything i enjoy

in one!!

I also got the chance walk the catwalk when approached to take part in Miss British Isles in 2019 as Miss Benfleet.

My dream is to dance abroad, i want to audition for The Rocettes and dance in NYC! I want to live and work abroad, i want to complete my DDE and then also teach what ive learnt, both here and abroad. Ive done small modelling jobs and i would love to do London Fashion Week, Paris runway and of course Vogue!!

Thank you Aimee x

My dreams are consistently changing because I am only eleven years old, but one thing has stayed the same over the years, and that is performing. I love to sing, dance, model, be on a stage, and perform. I don't mind the work that has to be put into rehearsing because the reward for me is so great.

I have a strong faith and trust God with who I am becoming and with my dreams. I have accomplished a lot in my eleven years, 7 years of dance, two years of voice, theatre, a brief television appearance on the Lifetime Reality

Show "Married at First Sight" (season 12).

I think I am unique and very lucky to have been adopted when I was just a few months old. I have a family that I fit perfectly into. My mom once told me, "that she never worries about my outer appearance because I am beautiful". "To always remember what it truly means to be beautiful on the inside". I love that she helps to instill this in me by how she teaches me to treat others and she finds ways for us to serve others.

A mis 9 años siento que he logrado mucho 22

bandas y 18 coronas y se que en un futuro podré lograr ser una excelente modelo . El modelaje me ha abierto las puertas a hacer rodaje para comerciales lo que también despertó en mi aprender actuación.
